

RAINBOW SOCCER- Covid-19 Protocols - Fall 2021

Applies to Rainbow Coed, Chapel Hill United, and TAGS Programs

1. FACE COVERINGS/MASKS

Rainbow Soccer strongly encourages persons (players, coaches, and parents) to wear a mask while at the fields when unable to social distance.

2. PARENTS/SPECTATORS AT THE FIELDS

We ask that parents watch their players practice from outside of the field areas. This would be along the fence or wood line at the Rainbow and Southern Community Park fields, the concrete walkway/fence line at Cedar Falls Park, and on the outside of the field area at Woodcroft.

Parents may walk their player to the field and check-in with the coach but then should move to an area outside of the field as listed above.

3. WATER BREAKS/SNACKS

No sharing of water or snacks allowed. All water breaks should be social distanced and coaches should assign water break spots for each player if needed.

4. PLAYER WELLNESS CHECK-IN

Parents are asked to check in their player for each practice and game through their team's Playmetrics calendar by clicking the "Set Attendance Button". The day of that practice or game parents will need to complete the health screening below through the attendance feature (incomplete health screen is indicated by a red circle with a question mark). If a player answers "Yes" to any of the questions then they may not attend the practice or game that day.

1. Does your player have a temperature of 100.4 degrees Fahrenheit or higher when taken by mouth?
 Yes No
2. Has your player received a positive result from a COVID-19 test in the last 14 days?
 Yes No
3. Has your player been in contact with anyone with confirmed COVID-19 in the last 14 days?
 Yes No
4. Is your player experiencing any of the following symptoms?
 - a. Cough
 - b. Sore Throat
 - c. Difficulty Breathing
 - d. Runny Nose
 - e. Diarrhea, Vomiting, Abdominal Pain
 - f. New Loss of Taste or Smell Yes No
